

The diagram shows a long, narrow room layout. It is divided into three main rectangular sections by vertical lines. The leftmost section is labeled '8,50 m²', the middle section is labeled '13,20 m²', and the rightmost section is labeled '8,50 m²'. On the left wall, there are three windows: a small square one at the top, and two larger rectangular ones below it. On the right wall, there are also three windows: a small square one at the top, and two larger rectangular ones below it. The room is bounded by a thick dark line at the top and bottom, and a grey area at the very bottom.
